- **PERSONALISED TEACHING**

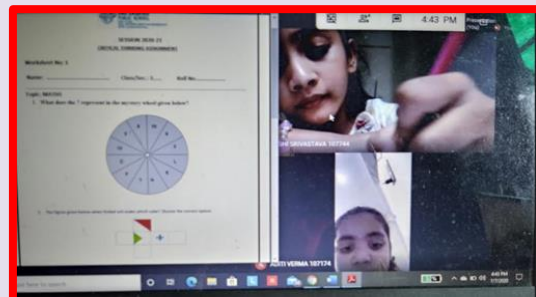

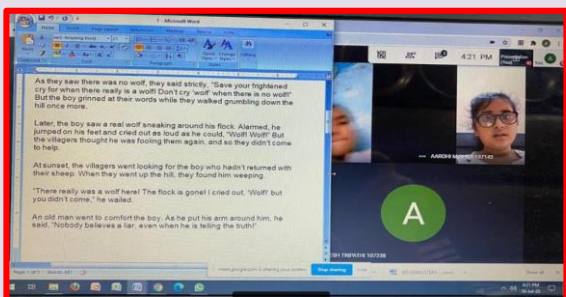

As per the FICCI guidelines on conducting online classes in Primary, another feature has been added to the existing online model .It is small group interaction with 2 students every day in the evening from 4pm to 5 pm. It helps to assess individualized learning outcomes and difficulty faced by students during the online classes. The personalized classes started from 6<sup>th</sup> July onwards and will be conducted everyday. Students attended the personalized classes with vigour and interest. Parents also interacted during the sessions with enthusiasm and gave their valuable inputs. It is definitely a positive step towards enhancing online teaching under CARE N CONNECT.

***ENTHUSIASTIC LEARNERS !!!***

***TAMING YOUNG MINDS !!!!***

Thank you ma'am for this interaction. Very good initiative by bbps to know child progress one to one. Bbps always comes out with innovative ideas. Felt so proud that my children study in school where teachers and staff are so dedicated.

Regards 🙏

Dear Ma'am,

Thank you for the online classes. It gives me immense pleasure to say that the individual attention given to children via video conferencing in the evening has helped my child understand the subjects better. The attention and the concentration of my child towards studies has increased making my child take further interest in academics. I thank the school staff and the teachers for this wonderful initiative.

Parent of Ananya 3D

One to one interaction with the class teacher is a very fruitful and an excellent method of interaction. The child was able to talk freely with the class teacher and clear her concepts.

Mother of Aliea Haider, 3C

Teaching even a single child reflects the full dedication of the teachers. Appreciate the commitment of the teachers towards one to one interaction with the students.

Reading and puzzle solving activity helped the child. Truly inspirational for all.

Regards

Mother of Anant Gupta, 3C

- **CFSI NEWS**

Special Education sessions were planned as per the individual needs and capabilities of each student. The plan included activities to enhance the reading fluency and grammar skills. Emphasis was laid on reading and comprehension as per the grade level. One session per week was taken by the School Counselor to supplement the academic growth of the students. Students were encouraged to engage in physical indoor activities. Worksheets were provided by the counsellor related to the topics covered in the session in order to reinforce the concept for better understanding and retention.
