Computer Science Ms. Meetu Tripathi	Functions in Python Built in and User defined functions Revision : Python control structures, strings	Assignment related to the topic uploaded in Google Classroom Revision worksheets discussed and done in class	Mock Test on Python Loops and Strings. Half Yearly Practical taken during class.	Soft copy of NCERT Textbook uploaded in google classroom
MATHEMATICS ANJALI S	Geometric Progression *General term and sum of n terms *Insertion of Geometric means in between two given numbers Revision of the following topics was undertaken for the upcoming Half yearly exam *Permutations and Combinations *Complex Numbers *Sets *Trigonometric Functions Miscellaneous examples and exercises	Assignment related to the topic to be uploaded on Google Classroom Revision assignments to be uploaded on Google Classroom	Videos explaining the concepts of Insertion of Geometric means were shared Group discussion and spot evaluation was undertaken for assessment purposes Revision exercises were assessed for understanding of the concepts taught and their correct usage	Soft copy of NCERT Textbook Relevant videos youtu.be/7EmWdysUk0c https://youtu.be/TFWGV_84uEk

New Initiatives

A webinar on POCSO Act was conducted by Ms Surabhi (PGT Legal Studies) and Ms Aditi Gaur (PGT Psychology) on 29th Sept, 2020 for classes XI & XII. This was an effort to raise awareness about the less talked issues of child sexual abuse and Information on Protection offered by the law towards the children and the punishment meted out to the offenders. The webinar was very informative and was a positive step towards protecting a child's right in the society.

Myths

Myths are false beliefs or ideas that are widely held and often passed on from generation to generation.

- Myths are not based on facts.
- Myths are often used to explain natural phenomena.
- Myths are often used to teach moral lessons.
- Myths are often used to entertain.
- Myths are often used to inspire.

Cannot be changed

Do not have any scientific basis

Are often used to explain natural phenomena

Are often used to teach moral lessons

Are often used to entertain

Are often used to inspire

A

- This is an universally accepted definition of a child and comes from United Convention on the Rights of Child.

A

Awards and Achievements

As a Mentor of Change (ATL Lab), Mr Soumitra Dey held an Online Webinar followed by a Quiz Competition on 25th Sept.2020. The quiz was held to test the knowledge of our students in the field of Autonomous Vehicles & Future Technology. The three winners of the prestigious event were :

Divyanshu Salwan-XI-A

Tanya Kudaisya- XI-A

Aachman Ghildyal- XI-A

On 26th and 27th Sept, 2020 two students of class XI D, attended Dimosia MUN, MP. **Anjali Gupta** was named the Best Delegate (USA) and **Omem Moyong** received a Verbal Mention as Delegate of Japan.

Celebrations

World Peace Day was celebrated by BBPS Noida on 25th Sept, 2020. In tandem with the need of the hour, the students of the school, be it from the Primary, Middle or the Senior wing, participated with gusto to make the day a resounding success. Students made cards, prepared peace flags, designed posters, staged theatre endorsing peace, gender equality, sustainable development, saving non-renewable resources to bring about awareness regarding the issues dogging our world at large. Peace Day celebrations can never be complete without remembering the contribution of Mahatma Gandhi as an apostle of peace and his ideology. This year's Peace Day also highlighted the impending Corona Crisis as being the biggest threat to World Peace at the moment.

On 2nd October, 2020, the school along with the entire country observed the 151st Birth Anniversary of Mahatma Gandhi. His contribution as the greatest political and spiritual leader of the twentieth century was brought to the fore by a video in memory of a stalwart who was a colossus on the world stage. On **Gandhi Jayanti**, students were motivated to awaken the Gandhi who resides within each one of us and be the harbinger of change for a more peaceful society in the future.
