**CLASS I**

**FORTNIGHTLY REPORT: 21<sup>st</sup> September 2020 to 3<sup>rd</sup> October 2020**

**INTRODUCTION**

The unstoppable wheel of teaching-learning process arrives to the greatest zenith. Each day adding on to the academic efficiency of learners where integration of different subjects without any doubt has escalated the thinking capacity of the little learners. The amalgamation of academic topics with fine arts have won the aim to change the learner’s normal style of imbibing knowledge; it is now knowledge acquired from various inter-connected sources. Moreover, the ongoing assessments to gauge their assimilation of knowledge are going on in full swing. Each one’s performance is aptly evaluated. The contemporary teaching-learning method is leaving no stone unturned to develop and nurture the educational needs.
