MONTHLY REPORT ON GOOGLE CLASSROOM
(11th JAN – 29th JAN,2021)
CLASS V

Let's learn, unlearn and relearn. That's an effective way of progressing ahead. All these years one thing that is constant is the change. And, we all need to adapt ourselves to the changes in order to be successful. By adapting to these changes we can not only be better but also we can address to all the challenges without worrying. At Bal Bharati, we encourage all our students to be flexible to the new learnings. We preach them to try instead of saying, 'I can't'. So, with this motivation we have been running our online classes in the pandemic and we are proud to say that we have been successful so far.

MONTHLY ASSIGNMENT AND ONLINE CLASS RECORD

SUBJECT	TOPIC COVERED	DAY AND DATE OF ONLINE CLASS
MATHS	VA: Operation with Decimals and Measurement https://www.youtube.com/watch?v=Rqshlzrp7bU , VB: Symmetry (Extra questions given for practice) , VD: Operation with Decimals(Extra questions given for practice) , VC: Operations with Decimals(extra questions) , Symmetry(extra questions)	11.1.21- 29.1.21

CFSI

Three classes per week were planned by the special educator to supplement the academic growth of the special students. This week reading, comprehension, writing skills were taken up in English and Hindi to enhance their language and expression. Basic mathematics concepts were taken. Science concepts were delivered using E- Pathshala and Diksha apps. Flag making activity and Republic day discussion was planned to make the students aware about Republic day. Students were encouraged to engage in physical indoor activities.
