

## BAL BHARATI PUBLIC SCHOOL, NOIDA

DEPARTMENT: PREPRIMARY  
BAL SABHA ACTIVITY REPORT

### 'MY PLACE IN THE WORLD-WHAT IS MY LOCATION

*"Creativity is inventing, experimenting, growing, making mistakes and having fun."*

Date: 05.05.2021

Classes: Pre School & Pre Primary

Venue: Virtual Classrooms

'My place in the world' Activity was a fun learning experience in which the tiny tots made a flip book on "Me on the Map". The Class Teachers initiated the activity with a Hindi rhyme 'पानी कहाँ है, जग में, जग कहाँ है, घर में .....'. It was followed by a discussion on where we stay, our house number, the name of apartment, the locality, the sector, the city, the state and finally the country we live in..

The children drew themselves on the first circle with the smallest diameter and wrote 'This is Me" under the guidance of their class teachers and help of their parents. In the next circle, with a bigger diameter, they drew their house and wrote "My house". Subsequently they drew/ pasted pictures related to the city, state and country they live in, respectively inside the other circles of varying diameters. After completion, all the concentric circles were attached with a ribbon together to make a flip book. A video on google map was also shown to make the concept of their location clearer.

#### Learning Outcomes:

- ❖ The activity enhanced the students' awareness about their immediate environment.
- ❖ It enhanced their knowledge about the geographical location.
- ❖ The activity helped the children to identify their city, state and country.

#### FEEDBACK OF PARENTS

In this activity vihaan has learnt so many things like me ,my house,my city and my country. Its is a very wonderful and creative activity.Thanks to Kuldeep and Sheuli ma'am to organise such a creative activity.

Vihaan enjoyed a lot!
