Mom dress up and few lines on mom activity was great ...she loves to dress up like mom and shared her own observation what mother (me) do at home ..

Fruits activity - she loved it. She likes to eat fruits and by making salad she like the taste. This salad activity will make her more interested in eating fruits and help to make good fruit eating habit

Good Evening ma'am,  
The lemonade activity was very fun.  
The children wants to do everything on their own so this was totally in favour of them as we avoid them to do so due to mess 😊!

Tavgun really enjoyed it and she saved a little from her drink for her dad too... she was so happy serving him her own made lemonade.
