JINGLE MAKING

DATE- 28.06.21-08.07.21

CLASS- III

THEME- WORLD POPULATION DAY

Overpopulation underlies every environmental problem we face today!!!

World Population Day is observed on 11 July! We need to bring to the notice the adverse effects of the overpopulation in the World!

Let's do this in a JINGLE WAY!!

RULES:

- Participation of all the students is mandatory.
- Students have to make a Jingle on theme: Over Population.
- Students have to create a video singing the jingle.
- The content must not be copied from the internet.
- Students must be creative and use simple-pronounceable words to make the Jingle.
- The video should not be more than one minute.
- It should include a short self-introduction.
- The activity must be submitted on Google Classroom under tab Bal Sabha Activities latest by 8th July 2021.

*A Jingle is a short slogan, verse, or tune designed to be easily remembered
OR a short verse or song marked by catchy repetition.*
