Special thanks to ATAL INNOVATION MISSION & Mrs. Asha Prabhakar (Principal, BBPS Noida)

Bal Bhartians carry forward the tradition of being flag bearers of innovation.

Innovation is the unrelenting drive to develop anew where few have dared to go!

The story of innovation dates back to the Stone Age It all started with developing tools out of stones as per the needs of individuals and from there onwards there was no looking back Mankind has come a long way from stone tools to AI to ML and Blockchain. Thus, it is necessary to ensure that the young minds of our nation are capable and free to think creatively and have a platform for sharing their revolutionary ideas with the world.

Due to the ongoing pandemic, a lot many sectors of the nation have faced difficulties. This has created an even bigger need for new innovations to aid the nation and for developing entrepreneurship skills to benefit the students in the longer run.

This is the aim of Atal Innovation Mission(AIM) and we at the Atal Tinkering Lab of Bal Bharati Public School, Noida work relentlessly to achieve this goal of making an Atma Nirbhar Bharat with the ever encompassing spirit of Vasudhev Kutumbkam .

We are elated to announce that Bal Bharati Public School, Noida is one of the ATL School Of The Month for the month of May .
