FOUNDATION DAY (20th APRIL 2021)

Bal Bharati Public School, Noida was established on April 20, 1992. Every year we celebrate this very special day with great enthusiasm and zeal.

To begin with the celebration the facilitators apprised the children about 'Foundation day' and its importance. The tiny tots felt so elated to know about their school's birthday. And birthday celebration is never complete without birthday caps.

So, for getting ready for the birthday party we together created attractive birthday caps. The facilitators demonstrated the steps and with their guidance our tiny tots created beautiful and colourful birthday caps using A-4 sheets, stars, studs, shape cut-outs and other decorative material. They were encouraged to decorate the birthday cap using their imagination and creative skills. The children were very happy and excited wearing their self-created birthday caps and went around the nooks and corners of the school through a virtual tour. They expressed their love for their school in their innocent and loving words. The children had a gala time dancing, partying and singing birthday song for our beloved school. **HAPPY FOUNDATION DAY!**
