VIRTUAL SUMMER CAMP

Adapting to the change and embracing the challenges of the New Normal, the Virtual Summer Camp commenced digitally setting another benchmark with almost all children of Pre Primary Department participating in multifarious activities held from 17th May to 10th June 2021. Our children were not only entertained and constructively engaged during this period, but they also picked up a hobby and nurtured it, enhancing their skills manifold.

SUMMER HOLIDAY HOME WORK AND PARENT TEACHER SESSIONS

Parents and Teachers working in partnership can ensure the physical and mental well-being of the child achieving the requisite learning outcomes. In this pursuit, regular PTM's are held from time to time. Interactive PTM was held from 11th May to 14th May to check the well-being, apprise the parents about the Summer Camp and Holiday Homework, and also rendering specific help regarding their child's performance and understanding. The class teachers were in touch with the parents and students once a week, every Friday between 09.00 am and 11.00 am, in order to take up any queries or doubts related to the Summer Holiday Home Work.

P.S. Parents are requested to forward their valuable inputs on the ongoing online classes as well as concerns, if any, to the class teachers of your wards.

The email IDs of the class teachers are given below for forwarding the feedback.
