

ASTRONOMY, ROBOTICS, AERO MODELLING CLUBS
(SESSION 2021-22)

Dear Parent,

The School will be running Astronomy (in association with SPACE), Robotics (in association with Avishkaar) and Aeromodelling (in association with Mindwize Academy) Clubs on 1st & 3rd Saturdays of the month.

ASTRONOMY CLUB

To endow our students with 21st century skills and meet the contemporary drift of education at the global level, a revised curriculum is being introduced with the new session, upgraded learning tools and astronomy resource kit to introduce more hands-on learning activities during the academic session 2021-22.

What does each student receive?

- Kit material in each session and a certificate of participation in the end.
- 06 Hands on activity based sessions focusing on experiential learning.
- Mobile Planetarium show (complimentary visit 1) for all participant students. (Applicable for offline mode only)
- Astronomy, Space Science and Stem Olympiad (complimentary Visit 2)
01 winner from each school will be sponsored free education trip to ISRO.
- National and international events and competitions.
- Minimum 3 workshops (50 students in each batch) will be conducted consecutively in a day by 1 educator.

Details are as follows:

S.NO.	MODULE	CLASSES	FEE	DETAILS
1	1	III - VIII	Rs. 3800/- Per Participant	Includes all the sessions

Interested students are required to pay the above mentioned amount **through cheque only** in favour of **BBPSN ACTIVITY FUND latest by 02 Sep, 2021.**

The month-wise break up of activities will be provided by SPACE to the parents. **Ms. Vaishali M, TGT (Mathematics), Mr. Prabhat M, TGT (Science) and Ms. Smriti S, PRT (Social Science)** will co-ordinate with SPACE for Senior and Primary School respectively on behalf of the Principal.

ROBOTICS CLUB

Robotics is a branch of technology that deals with design, construction and operation. Robotics Club is a year-long club in school that focuses on the understanding and application of technology in real world scenario. As a school, we firmly believe that technology can be a force for Positive Social Impact and has the power to be great equalizer.

What does each student receive?

- 30 students in each level are required to start the programme Batch size 1:6
- Total 10 sessions will be conducted in one academic year as per the schedule.
- All the students will get trained by Avishkaar's experienced trainers.
- Each student will get the Certificate of Participation / Achievement at the end of the year.
- College ready portfolios shall be built for each student attending the programme.
