ONLINE CLUBS

“DO NOT PREPARE THE ROAD FOR THE CHILDREN, PREPARE THE CHILDREN FOR THE ROAD.”

Today’s students are the leaders and builders of not only our nation but the whole world. They need all the training/ grooming to be active and ready for the challenges of tomorrow. So, keeping up with the new paradigm in the world, we devised our Summer Camp activities to ensure that not only their Intelligence Quotient (IQ), Emotional Quotient (EQ), Social Quotient (SQ) but also Adversity Quotient (AQ) is enhanced. The activities were designed with the motive to keep them busy, happy and entertained during these uncertain pandemic times. Students of Class III had many options to choose from depending upon their likes and passion. The club classes were conducted on 1st and 3rd Saturday for Reading Club and Health and Wellness Club. Rubiks’ club had their session on 3rd and 5th Saturday of the month. Many such activities were performed by the students and presented in the form of pictures and videos.
