SYNOPSIS OF THE ACTIVITY CONDUCTED:

An Online Inter-section Poster Making competition based was held on 28 July,2021 for classes III-V and was themed around "10 ways you can help the earth". The enthusiastic participation of students saw some amazing and informed posters being created which highlighted how we could all come together for saving our planet. The students skillfully used colours, figures and messages to make these posters and their joy at participation in this creative activity was palpable. This overwhelming participation assures us that Bal Bharati is nurturing future citizens who are concerned for the planet and its survival.
