VIDEO MAKING: EXPLODING POPULATION IS A BOON OR BANE

CLASS V

If we don't halt population growth with justice and compassion, it will be done for us by nature, brutally and without pity- and will leave a ravaged world".

Nobel Laureate Henry W. Kendal

As the population of the globe surges past 6 billion, India is on the verge of surpassing China as the world's most populous nation. For at least two centuries India has struck many Westerners as a place that is over-populated, famine-prone, and, as a result, a threat to global stability.

The young, vibrant and thoughtful minds of class V of our prestigious institution Bal Bharati Public School Noida presented their views on the topic Exploding population is a boon or a bane. The young orators expressed their vies and also shared some slogans . They created videos and confidently presented their views for the others to ponder upon.

Sharing with you few glimpse of the wonderful work:

Young Orators: Ananya Bhargava(Left) and Satvik Sahoo (right).

Glimpses of videos by: Achintya Joshi (left), Bhavik Dassi (middle) and Sanskriti Sanvi (right).

This activity not only helped the learners formulate their views and perspective but also instilled in then the skill of video creation, thereby improving their grasp on another 21^{st} Century Skill- ICT.
