

LEADING THE CHANGE WITHIN

VISION 2021-25 FOR BAL BHARATI PUBLIC SCHOOL, NOIDA

The paper highlights the urgency for redefining our VISION and practices to align to the learning and progress of the learners.

Each of the below mentioned points throw light on and share insights about the variety of new domains that have emerged for the schools in the digitally connected age and focusses on the necessity of social and technological networking to stay relevant.

BAL BHARATI PUBLIC SCHOOL, NOIDA WILL PRODUCE 21ST CENTURY LEARNERS WHO WILL BE READY TO TAKE ON, ADAPT TO, AND SUCCEED IN THIS RAPIDLY CHANGING WORLD.

The following radical approaches with a defined regulatory frame work need to be worked upon:

- 1) We need to reimagine the 'Physical Spaces' of our schools and transform them into 'MAKER SPACES'. Major investments would be required to set up schools that are 21st century ready schools and for upgrading the existing ones.
- 2) Embracing Holistic Learning by :-
 - Carrying out research innovation, development of curriculum and preparation of teaching-learning material for different levels of school as well as for Teacher Education.
 - Focus on inclusive development : Providing the best of academic and extra curricular activities.
 - Offering knowledge based on global standards.
 - Setting norms, standards and guidelines for Assessments and Evaluation.
- 3) Re-designing the Learning Skills Towards, Industry 4.0 through Integration of Skill Development.
- 4) Aiming for 'High Professional Standards' among teachers through Continuous Capacity Building Programmes.
- 5) Maintain exceptional communication between the School, Parents, Alumni and the Community to better market our school.
- 6) Empowering the school culture and social culture by promoting Multiculturalism in class rooms.
- 7) To promote Sports Education in the areas of Sports Sciences, Sports Technology, Sports Management and Sports Coaching besides functioning as the training centres for select sports discipline by adopting Best International Practices.
- 8) Introduce Database Management in assessing and monitoring the progress of schools against the established benchmarks.
- 9) Ensure that the school policies are in sync with the law of the state to maintain a degree of accountability in the eyes of internal and external stake holders.
- 10) Introduce Standard Setting and Accreditation for schools PAN INDIA.
