

REPORT ON YOUNG WARRIOR MOVEMENT

CBSE launched a nationwide Young Warrior Movement in collaboration with Ministry of youth Affairs and Sports, Ministry of Health and Family Welfare, Slam Out Loud, Yuwaah and UNICEF on 14 July 2021 to engage youngsters to fight against COVID-19.

To fulfill its objective of developing COVID appropriate behavior through ART & Art forms, five live sessions were conducted from 22 July 2021 – 19 August 2021.

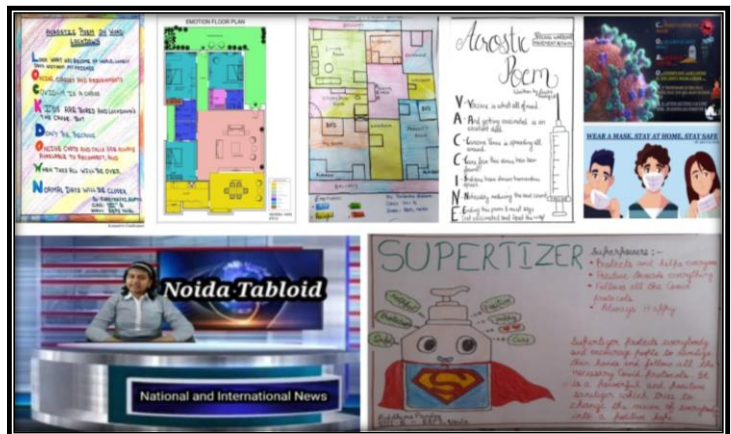

Session in Progress

Students in Action

Approximately 200 students from Classes V – XII participated in the program and obtained certificates by completing the tasks based on themes- Vaccine Buddy, Stress Buster, fake News, COVID 19 Recovery tale and Super Young Warriors. Through these sessions students not only developed COVID appropriate

behaviour but these sessions have helped students in exploring their hidden talents. The activities like Acrostic poem, Emotion floor plan drawing, Video as a reporter etc, portrayed 21st century skills where students were motivated to do something creative and in a simple manner. The movement has given opportunity to introvert students to express themselves. Movement can be described as a merriment learning exercise yet an important message to society to cope with this pandemic situation.

Various activities performed by students

STUDENTS' SPEAK

“Through the Young warrior movement, I was acquainted with the creative spirit in myself as there were tasks linked to comic strip, character sketch et al. These tasks also facilitated the learning about COVID appropriate behaviours through the power of art.”

-Divija Bansal (XI -C).

Certificates awarded to Students

“The young warrior movement was surely a fun and learn experience. In these pandemic times, it surely helped me to invest my time in a productive way along with making me learn, explore and unleash my creativity with the five amazing tasks.”

- Janhavi Tandon (X- A)

I found Young Warriors Movement as highly intriguing and thought provoking. I thoroughly enjoyed the activities done.

- Diya Rajan (VIII-B)

The Young Warrior Movement activities were very easy-to-do. I learned different things through it. These activities weren't boring at all and were from my areas of interests like drawing, coloring, making poems, etc. It integrated all subjects that made it more engrossing and educative.
