

### UFO: USING PAPER PLATE

Date: 04.10.2021

Classes : I & II

Theme : World Space Day

*“Curiosity is the essence of our existence.”*

*Gene Cerman*

#### Rules

- ❖ Participation of all the students is mandatory.
- ❖ Respective class teachers will explain the students about UFOs (Unidentified Flying Objects) and alien life possibility. To make it more interesting the following YouTube links will be shown to the students during zero period.
  1. <https://youtu.be/1XQV8BCL9L8>
  2. <https://youtu.be/zn1j-vF1QyA>
- ❖ Students have to make a UFO using paper plates or any other material available at home.
- ❖ UFO can be decorated beautifully using any material of their choice.
- ❖ Click or scan High Resolution image of your craft work.
- ❖ Speak a few lines about the possibility of existence of aliens / meeting aliens in our lifetime, and record your video in landscape mode.
- ❖ Upload your image and video on the post created under the Bal Sabha Channel on MS TEAMS on or before 27<sup>th</sup> September 2021.
- ❖ The link for reference is given below:
