BAL SABHA ACTIVITY- CLASS ACTIVITY

GLOW IN THE DARK

DATE- 04.10.2021

CLASS- III

THEME- WORLD SPACE DAY

A constellation is a group of stars that appears to form a pattern or a picture

Constellations can help you sort the twinkling dots scattered across the night sky. Connect the stars to see what deep-sky wonders emerge.

RULES:

- ❖ Students have to make a 3D model of constellations, using the material available at home.
- ❖ Students can use pastel sheet, cardboard, strings, glitter sheets, cotton balls etc to represent their perception of the constellations they see in the sky.
- ❖ The work is to be uploaded in Teams platform under the channel Bal Sabha Activity latest by 27.09.2021.
- ❖ The work should be uploaded in the form of an image and a short video of the student explaining their work in a few lines.
- ❖ The class teacher will explain and discuss various constellations in the class.
- ❖ Students can refer following links:
- ❖ <https://www.youtube.com/watch?v=pqis3gZwVaY&t=417s>
- ❖ <https://www.youtube.com/watch?v=oQo6mv9JIWU>

Let's start looking up in the night sky, those glowing twinkling stars and let's wear our creative hats to make our own model.
