*From : Principal's Desk...*

"Excellence is never an accident; it is the result of high intention, sincere effort, intelligent direction, skillful execution and the vision to see obstacles as opportunities".

The above has been comprehensively proved by each and every member of Bal Bharati (ND) Parivaar for presenting '**Ramayan Sagar - Ramayan ki Bhakti, Kathputliyon ki Sangeetmaya Prastuti**'.

- It goes without saying that this unique presentation of one of the greatest epics, Ramayana, through puppets truly enkindled moral values and ideals amongst the children fulfilling the purpose of showcasing the same prior to the festival Dusshera. Putting up a programme to perfection requires a high degree of thoughtful planning, coordination and execution with precision and I am indeed proud to say that the entire Pre Primary Department, Performing Arts Department and Visual Arts Department worked as one motivated team and put up this spectacular presentation in a very short span of time. The testimony to this being the flood of appreciation and praise that has poured in from all quarters, be it the parent fraternity, staff of other schools and our own student community.
- Creating expressive and impressive puppets by Mr Yuvraj P, Mr Niladri S and the Pre Primary teachers is truly commendable. All characters were so beautifully and thoughtfully created that they stole the hearts of one and all. The different backgrounds created provided an apt visual appeal to the variety of settings.
- The script was beautifully and precisely written along with apt dialogues that struck the right chord with the spectators. The voiceover done by the team of teachers matched the tone of various characters depicted.
- The background music set the tone right with its mellifluous rendition of narration and songs. The background singers sang beautifully and all the compositions will stay with the audience for a very long time. My sincere appreciation goes to Mr P Pallavi, Mr Tulsi Ram, Ms Manami G, Ms Manju M and Ms Sheuli G.
- The dance performances by Mr Swapan M, Ms Kavita P and Ms Nisha R were a treat to the eyes and added a new dimension of narrative to the show.
- The movement of puppets by the team of teachers was indeed flawless and didn't let the continuity of the entire show break even for a moment. Well done team!
- I would like to congratulate the technical team working behind the posters, creatives and teaser videos which were so captivating that they set the tone for the presentation from the very beginning. Heartiest Congratulations to Ms Vibha K and Ms Payal C. This proves that the Pre Primary is a technically sound department.
- It goes without saying that the special effects added to enhance the final presentation was like an icing on the cake. Kudos to the technical team comprising Ms Meetu T, Ms Asha M, Ms Meenakshi G, Ms Alka R, Mr Yuvraj P, Ms Vibha K and Ms Payal C. It truly gave life to the puppets and made the presentation look real and lively.
- I shall be failing in my duty if I don't put on record the support provided by the Lab Attendants and the support staff with managing the backdrops while shooting the scenes.
- Lastly, I congratulate the Director, Ms Sarika Passi and express my heartfelt gratitude to all the staff members who worked tirelessly towards putting up an NEP-2020 based enthralling presentation.
