# Awakened Citizen Programme

( 6, 13 and 20 September, 2021)

To awaken our inner strength and possibilities

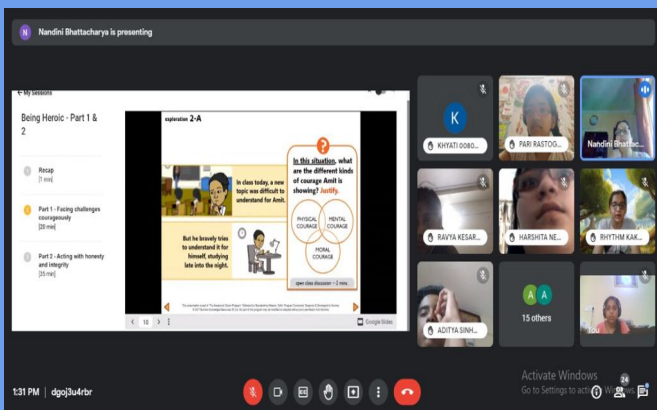

The Awakened Citizen Programme is conducted on every Monday to ignite the infinite strength and potential inherent in every child. Modules 7, 8 and 9 were presented and discussed by the class teacher with active students participation. The students discuss and discover the consequences of various choices and get armed with a decision making framework for life.

## Online Clubs

### Aryabhata Club-

Aryabhata club is formed to develop students level of Mathematical skills and knowledge. Students gets an opportunity to explore interesting Mathematical puzzles and the basic sutras involved in Vedic Maths. The following activities have been conducted during Club period.

- i) Calendar activity: The magic of Calendar
- ii) Vedic Maths: Multiplication of two digit numbers by vertically and Cross wise method.

### Tinkering Club -

Tinkering Club includes innovations ,hands-on activities and enthusiastic participation of coding ,AI and many project based on science and technology, it also provides Tinkerpreneur platform in which most of the students participated and were selected to perform their ideas into a market ready product. Club also encourages students to learn coding, 3D designing, app development etc. This club encourages students to participate in various international competitions along with national competitions.

### Quiz Club

Quizzes were held on the topics "Paralympics" and "General Quiz". Students made their own small quizzes using various online tools like PPT, Quizzie etc. Young quiz masters and participants both showed great enthusiasm. It was a learning experience for one and all.

## **Spellathon Club**

In the month of September, the students learnt how to build new words by adding prefix and suffix. Malapropism was also introduced in order to differentiate the striking resemblance between two words with similar sounds. Online quiz at the end of each class enabled the learners to enjoy the club activities.

## **Reading Club**

Students were suggested to read the classic 'Uncle Tom's Cabin' written by Harriet Beecher Stowe. The students avidly read the book and critically analysed the plot and characters of the story.

## **SNAPSHOTS- Photography Club**

"Long Exposure & Light Painting Photography"

Students were shown various slides in order to explain how to do long exposure & light painting photography. Students learnt a lot through a demonstration - cum - lecture.

## **Sewing, Embroidery and Hospitality Club**

Students were taught Chain Stitch embroidery. A video was shown on how to prepare a Chain Stitch Motif. Students prepared their samples, shared the pics on whatsapp and pasted the samples in their files with a brief description about the embroidery. Half yearly grading was done on the basis of their files.

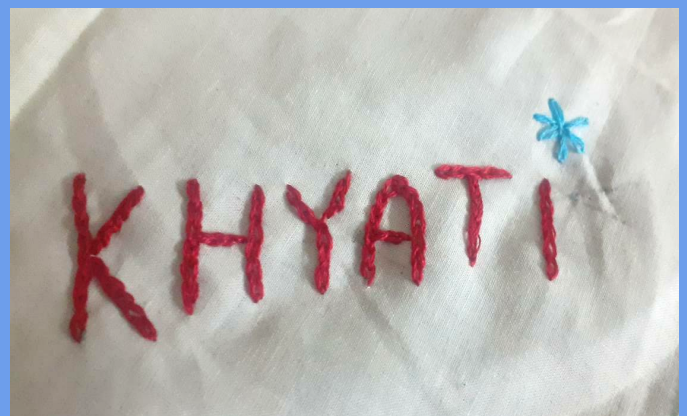

## **Handicrafts Club**

Students will create art works that result from their understanding of radial symmetry found in mandala art. These art works will express the symmetry found in every mandala. They will include symbolism of self and environment.
