BAL SABHA ACTIVITY REPORT
"Reliving the Past- Character Dramatization"

Date: 12.10.2021
Classes: Pre School & Pre Primary
Venue: Virtual Classrooms

Ramayana is one of the greatest Sanskrit epics about the story of Lord Rama and his conquest over Ravana. Ramayana has been part of Indian tradition and culture for ages, and it is imperative for our generation to know and appreciate this mythology. The activity 'Character Dramatization' was held on 12 Oct 21 wherein students were required to role play the characters from Ramayana.

The teachers narrated the story of Ramayana to the students in an easy-to-comprehend manner. The Pre-school and Pre- Primary children were asked to dress up in their favourite characters from the epic. The students got dressed up in Ramayana characters chosen by them during the virtual circle time session. The costumes were self-designed and self-created, made from dress materials available at home like old dupatta/shawl/kurta etc. Also, each student spoke a few lines about their characters and the value learnt from that character. The students also used props during their performances. Children appeared excited and performed enthusiastically during the activity.

Learning Outcomes:

- The children understood the importance of the Dussehra festival.
- The children learnt that the path of truth and good always wins over bad.
- The activity enhanced the student's communication and language skills.
- The children were able to express their creativity and feelings.

Puppet show and character played by kids during Dusshera encouraged and made kids to imbibe the knowledge of the triumph of good over evil, where Lord Rama fought and killed the demon king Ravana to rescue his wife, Sita. By Character play like Sita, Ram, Hanuman and Ravana taught lessons about Hindu culture and also helps us understand the true meaning of love, devotion, courage, and bravery.
