Dear Parents

Season's greetings!

I hope you and your family had a wonderful Diwali, we appreciate the support and cooperation of our parent fraternity.

As the world struggles to resume normalcy post Covid-19, we at Bal Bharati are working really hard to ensure that our children are able to attend school in person at the earliest.

The school has resumed bus services after a hiatus of about 16 months .Under normal circumstances - pre covid times, the school was operating 17 routes and we had about 720 students using school transport .At present, despite repeated requests we have received confirmations from only 104 students, it is not financially viable for the institution to operate all the routes with meagre earnings .The school is at present running three routes.

While we appreciate your concerns about long routes and hours, we remain committed to providing our children the best possible facilities under the given circumstances. We are trying to streamline the routes and minimize travel time in two days time, kindly bear with us.

Looking forward to normal times
