

AN APPEAL

Giving is the greatest act of grace

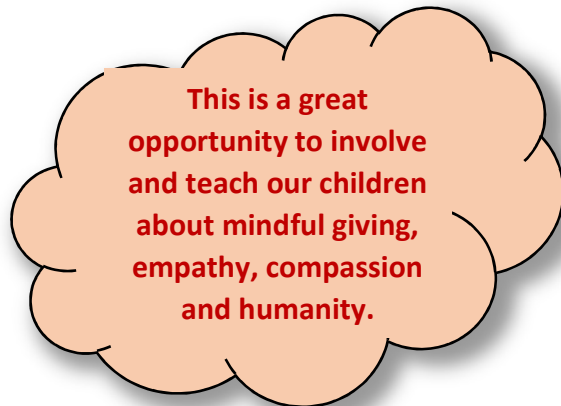

Dear Parent,

Every year thousands of people face the brunt of harsh winters...people without homes, migrant laborers, those in the remote hilly villages are the most vulnerable. This year, winter is going to be much tougher – especially for millions of people who have been affected by floods across the country and all those who have been pushed into economic crisis due to the pandemic. In the absence of bare minimum, winter is going to be yet another Calamity for thousands.

We at Bal Bharati Public School, Noida have always believed in service before self and in giving back to the less fortunate. To carry forward this legacy the Interact Club of the school has taken up an initiative towards keeping the needy and underprivileged warm during the harsh winter months.

To do our bit, we are partnering with Goonj, an award winning voluntary organization in 'Donate your woollens and shoes campaign'.

Imagine, even if a child brings just a pack of a woollen, a pair of socks and shoes, a muffler & gloves, it will provide the much needed warmth to another in a far- flung village of India.

Join us by becoming 'Guardians of Hope'. The students may bring woollens and shoes in good condition, packed neatly and handover the same to their respective class teachers latest by 30 Nov, 2021.

Please make sure that the goods that you are donating are clean and well washed.
