## FEEDBACK OF PARENTS ON ONLINE SESSIONS

Hi Ma'am, the puppetry shows of Ramayan portrayed by the school was stunning. Awesome craftwork, scripting, graphics, music, direction and editing. The portrayal of each character was awesome and looked real. It was a wonderful way to teach lil ones about our ancient epic Indian Ramayana through puppetry, Aavya learned about each character and enjoyed a lot, it was so peaceful. I must congratulate and thank all the teachers, and everyone involved, your efforts and hard work were clearly visible. again.

The Ramayana Sagar puppet show is an excellent effort by Bal Bharati school, the puppets are so lively, that children are attracted to watching them and this helps them understand our values and culture ,in a simple way. We sincerely appreciate the efforts by the entire team of Bal Bharati.

I would like to take this opportunity to thank all the teachers for the efforts they are putting together to teach our children. Preparing lessons, making kids learn through fun, all this through distance learning. It is very difficult to teach such small kids online. However, you all are making sure that each kid gets proper attention, and the learning is smooth. The kids are also enjoying the co-curricular activities which are taking place along with the main subjects. It makes them look forward for the classes. Kids always have a gala time while doing bountiful activities in the classes. The efforts are commendable. A special thanks to Anju ma'am for always being available whenever I need her help.
