WEATHER & SEASONS

Dear Parents

Warm greetings!

The winter holidays are around the corner. We are again resuming normal activities after the pandemic and life will soon be back on track. So, keeping that in mind we bring for our students, various fun-filled worksheets.

Following the theme of our Winter Holiday homework "*Weather and Seasons*", we have designed a series of worksheets integrating the theme "*Weather and Seasons*" with English, Hindi, Mathematics, and Environmental Studies. The worksheets aim to provide students with opportunities to brainstorm and engage in critical thinking.

PLEASE NOTE: These worksheets will be assessed for Round IV.

Students are requested to do all assignments in their respective subject notebooks and use an A4 sheet wherever required. Upload your work on Ms teams.

S.no	Subject	Date of Submission
