

## BAL SABHA ACTIVITY – 2021-22

### 3D TRAFFIC LIGHT MODEL

Date: 02/02/2022

CLASS – I & II

Theme: Road Safety

*Traffic signals have their implications. It helps to avoid risks and guide safe driving by following the rules. People should be aware of the traffic lights. They are the signals which suggest us when to slow down, stop and drive vehicles. The colour **RED** means **STOP**, **GREEN** means **GO** and **YELLOW** means **SLOW** down the vehicle.*

*Let's make 3 D Model of Traffic Light*

#### **Instructions:**

- + Participation of all the students is mandatory.
- + Students will make a 3 D model of a Traffic light.
- + Students will speak few lines on the importance of traffic rules while displaying their 3D model and also click a picture with their model.
- + The students must upload their videos and pictures to the “Traffic Light Model” assignment under Bal Sabha Activity channel on MS Teams on or before 02<sup>nd</sup> February, 2022
- + The class teacher will demonstrate the activity in the class room.
