CLASS: I-II

SYNOPSIS: Students described themselves in terms of their strengths, weaknesses and hobbies in a one-minute video

REPORT

National Youth Day is celebrated on January 12, every year in India to honour the birth anniversary of Swami Vivekananda, one of India's greatest leaders and believers of youth power.

For classes I, and II, the activity All About Me, was planned. The activity aimed at creating awareness of self among students. With this activity, students were able to do a self-analysis. The activity was based upon one of the very famous quotes by Swami Vivekananda, *All the power is within you, you can do anything and everything.*

Students were given a safe space to talk about themselves. Knowing our strengths and weaknesses is a sign that we know ourselves in and out, which is our strength. Students portrayed a great understanding of themselves and expressed it very well.
