NOIDA

**WELCOME BACK TO
SCHOOL**

School Preparedness

Making this transition smooth, putting the parents at ease and creating a happy environment for the little ones, the following measures will be taken up:

- ❖ All Covid related protocols will be adhered to, ensuring a 'Least Touch Environment'.
- ❖ Children will be given enough time to adjust and adapt to the school environment.

We will make learning joyful and stress free with more of 'Play' and 'Interactive' sessions, like Laughing together, Clapping together, Reciting and singing together, Story Narration, Puppetry and Dance

Laughing Together

Clapping Together

Dance

Reciting & Singing Together

Story Narration

Puppetry

Parent Preparedness

Post Covid situation and reopening of school has created a lot of anxiousness in the minds of the Parents.

Pointers for Parents:

- ❖ Talking positive about the School.
- ❖ Not pressurizing the children for academics right from the first day of school.

❖ Refrain from sending the child to school if there are signs of fever, cough and cold in the child or any member of the family.

❖ Inculcating the habit of frequent handwashing, maintaining social distance and masking among the children.

Student Preparedness

Hi all you need to use me frequently before and after eating food or touching any surface.

Hello friends...don't forget me in this journey....Wash your hands with soap and water often.

Hi ...wear me always...to be safe.

Do not share lunch and mask with friends.

we can't
mask
how excited

 we are to
welcome

you back!
