## ANUKRITI – AN e-ART MAGAZINE

*Art is not a thing. it is a way !*

Dear Sir/Madam,

A country as diverse as India is symbolized by the plurality of its culture and arts. Our country has one of the world's largest collections of folk traditions, rites and rituals, paintings and writings -the 'Intangible Cultural Heritage' (ICH) of humanity.

We take pride in bringing forth some of the beautiful art forms of India, brought to life by the paint brushes of our talented children, in our e magazine **ANUKRITI**  
<https://heyzine.com/flip-book/4345529d48.html>

These paintings trace our indigenous art forms, from different parts of India, Madhubani from Bihar, Worli from Maharashtra, Kalighat from Bengal, Phad and Miniature paintings from Rajasthan, Patachitra painting from Orissa, Gond art from Madhya Pradesh and many more. They represent a set of shared attitudes, values, goals and practices.

These art works have helped us create more understanding amongst the children, about the diversity of India and have acted as a great instrument of harmony and social associativity.

I sincerely hope that you enjoy glimpsing through the pages of ANUKRITI and revisiting our Intangible Cultural Heritage.

Warm Regards,

*Asha Prabhakar*
