

AN APPEAL

*"It's vitally important to help each other.
No, we can't walk in each other's shoes,
but we can walk side-by-side and support each other."*

Dear Parents,

The call for a better living, the need for survival lures vulnerable workers from rural areas into the urban world of industrial migrants. We are aware that amid the Pandemic, crores of migrant labour moved back to their home towns, thousands of them died due to starvation and lack of resources.

As the result of these efforts E-Shram portal was launched by the Ministry of Labour and Employment under the Government of India to form a database of workers in the unorganized sectors. The objective of this initiative is to provide social and financial security to the less privileged. An E-Shram the less privileged.
