ANNUAL SUMMER CAMP (2022-23)
W.E.F. 17 MAY TO 04 JUNE, 2022

Dear Parents,

The school will close for summer vacation w.e.f 17 May, 2022 for the Pre Primary and Primary wing and from 21 May, 2022 for Classes VI -VIII. An exciting range of fun filled, creative activities have been specially planned during the Summer Camp in order to transform the holiday period into a learning and enjoyable time for the young enthusiasts.

The benefits of Summer Camp for young children are manifold. While on one hand they are able to spend their day being physically active and mentally alert, on the other hand, the multifarious activities make them more confident, unplug from gadgets and develop life-long skills.

The primary purpose of the summer camp is educational, athletic, or cultural development. A summer camp environment allows children to learn new skills in a safe and nurturing environment and leaves a lasting psychological impact on the development of a child.

It has always been our endeavour to provide holistic growth and ensure an all-round development of our children. Therefore, in order to gainfully utilize the vacation time, following **Recreational Activities** will be provided to the students from 17 May onwards on the dates mentioned against each activity.
