CLASS-I

Dear Parents,

I have had the opportunity to interact in person with all Class-I students and they are super excited to be in school. Barring a few little ones, who remembered their Mommy dears, all wanted to be in school and were excited to be in school.

The school has received 10-12 e-mails from parents suggesting that the school timings of Class-I be reduced. For the month of April & May, 2022 we have no objection, if the parents want to pick up their wards from school (on their own) at 01.00 p.m. For rest of the students, dispersal will be at 02.00 p.m.

It takes time to settle little students and I am so glad that with the support and co-operation of parents, all students are adapting to school life very well. In the coming week, we shall try broadcasting classrooms session for one period to parents, in case they want to witness the classroom proceedings and meet their wards digitally, they may do so with the g-suite ids of their children.

The handing over of children was very smooth from Gate-1 today and the school buses left the school at sharp 02.30 p.m. today. With patience and perseverance, impossible says, 'I am possible'.

Warm Regards,

Asha Prabhakar
