

REPORT
EARTH DAY (2022-23)

“We have not inherited this earth from our forefathers, we have borrowed it from our children.”

‘World Earth Day’ is celebrated internationally every year on 22th April to spread awareness about environmental protection and acknowledge the global climate crisis. This year marks the 52nd Earth Day and Bal Bharati Public School, Noida celebrated the Earth Day with enthusiasm and zeal.

This year the theme for Earth Day was “Invest in Our Planet”. The day was celebrated to raise awareness about the growing climate crisis and how the younger generation can protect ‘Mother Earth’ and its resources. As a part of the 52nd Earth Day Celebration a plethora of activities were conducted in the classes from VI-XII.

Best out of Waste

Eco Explorers Treasure Hunt

A ‘Nukkad Natak’ was performed ‘Dharti ki Pukar’ in an endeavor to harness nature and create awareness. Keeping this holistic thought in mind we believe that “Paryavaran Raksha” is our main motto. As the future ambassadors of the planet, we see mankind killing Mother Nature. With the belief that we have taken the earth as a lease from the future generation, a rejuvenating dance number, ' Dharitri' was presented by the students.

Nukkad Natak- Dharti ki Pukar

Dharitri- Harnessing Mother Nature

Marking the Earth Day celebrations, respected Principal ma'am Ms. Asha Prabhakar planted a sapling along with Ms. Neerja Bhatnagar, the Environment Club incharge and the green ambassadors. The students vowed the Earth Day pledge. The entire program was phenomenal and organised by our Shivaji house.

The Principal along with the Green Ambassadors planting the sapling.

To make the future citizen of Earth more aware about the depleting resources and the need to save and preserve the environment on 22nd April, our school organised a webinar to learn and become more cognizant about 'Environmental Challenges in Today's Time.' The Resource Person was Mr. Souparno Banerjee, Senior Programme Director, Centre for Science and Environment, Mr. Neeraj Kumar and Ms. Tushita Rawat. It was conducted for classes VIII-X from 10-11am. The webinar was attended by our respected Principal Ms. Asha Prabhakar and was elated with the innovative suggestions and ideas that were discussed. The session went on to be more informative as they discussed about factual details about environmental conditions at national and global level throwing light on practices to follow in our lives to achieve sustainable living. In the question hour session, many mindful questions were implored. Principal ma'am raised a point to bring in awareness about the environment through newspaper and advertisements. Such platforms like CSE can bring in Environment literacy at a faster pace.

Webinar on 'Environmental Challenges in Today's Time'

The green ambassadors along with the environment club incharge, Ms. Neerja Bhatnagar got an opportunity to interact with the founder of Earth Day, Mr. Andrew Gabriel in a webinar hosted by the 'Tree Gaze' organization. It was an enlightening session.

The Green Ninjas spreading awareness about 'Earth Day'.

Through the Earth Day celebrations, the students were made aware to take different measures to protect the resources of the Earth and work towards a more sustainable way of life as sustainability is path to prosperity.
