

## PRE PRIMARY DEPARTMENT SESSION: 2022-2023

### EARTH DAY CELEBRATION REPORT

Earth Day is indeed a reminder for all of us to love our planet the way we would love ourselves! On April 22, the students of Pre Primary wing celebrated the 52nd anniversary of International Earth Day. An awareness drive was planned for Pre- Primary children wherein they were shown various PPTs, videos related to conserving our natural resources and taking care of our planet earth. A discussion was also held in the respective classrooms about the importance of Earth Day. The concept of Reduce, Reuse, Recycle and planting more trees was also emphasized through rhymes, dance and songs. Children prepared beautiful 'Mother Earth' craft using tearing and pasting technique. Facilitators also motivated the children to take a pledge to make our planet a better place and create a sustainable habitat. A few tips shared with the students are as below.

**Turn off the lights.**

**Share a Book**

**Plant a Tree**

**Don't waste Water**

**Save Leftovers**
