School is the gateway to knowledge. Our School, Bal Bharati Public School, Noida, was established by the Child Education Society on April 20, 1992, has grown in structure and stature since then and is now among the top schools in Noida. This year, the students of Pre Primary wing celebrated the school's 30th Birthday with great zeal and fervour. 'A Birthday without a cake is incomplete.' So, a muffin decoration activity was planned for the children. Children sang the birthday song for the school. The little chefs beautifully decorated their muffins with chocolate sauce, jam, gems, sprinklers and fruits. Children participated in this activity with great enthusiasm. They had a gala time dancing and partying. Children were also given sweets to mark the momentous occasion.
