REPORT

“EVERY DAY IS A GOOD DAY TO CRAFT”

Celebrating the inception and the growth of the institution on 20 April, 2022, the school held its 31st Foundation Day ceremony. The Primary section of Bal Bharati Public School, Noida conducted origami activity wherein children participated in this creative venture with great zeal and high spirits.

The tiny tots were amazed to see transformation of a flat square sheet of paper into a finished sculpture through folding and sculpting. Budding stars created unique and exclusive shapes and structures to showcase their finesse in paper craft. They made house, fan, fish, flower, boat, butterfly, dog, bird etc. and displayed them with great pleasure and gratification. This activity tapped on their imagination and enhanced their creative skills.

Origami provided our little ones from classes I and II, with wonderful “schematic learning through repeatable actions”. As the teachers demonstrated, children watched closely and listened carefully to the specific instructions and then carried them with originality, neatness and accuracy. Students of class III created beautiful rangolis on paper to embrace our culture.

The paper folding craft and rangoli making was not only a fun filled experience, but it also proved to be a valuable means to develop artistic skills in the young ones.
