

**REPORT**  
**BAL SABHA ACTIVITY (2022-23)**  
**TOPIC- POEM RECITATION**

**DATE :** 13.04.2022

**CLASS :** III – V

**THEME :** NATURE

**POEMS ARE THE LYRICS TO THE HEART**

13 April marks Baisakhi, a harvest festival which marks the change of seasons and celebrates the nature's bounty in form of plentiful crops. In an apt celebration of nature on this day, a Recitation activity was held for students of Classes III - V. Around 600 students were encouraged to participate in this activity where they had to recite a poem based on "Nature". The unique feature was that each student was to recite a poem by their favourite poet as well as self-composed poems based on given theme.

The activity saw enthusiastic participation from students and their presentation of poetry transported everyone to the verdant lap of nature. Some students also used colourful props which made their presentation ever so lively.

This activity aimed at improving the presentation and speaking skills of students, familiarizing them with poetic form of language and expression and also increasing their appreciation of nature and observation of the natural world around us. It also tried to hone their creative writing abilities by encouraging self-written poetry.

Judging by the tremendous response, the activity seems to have enthused the students about public speaking, creative writing and appreciation of nature. We remain committed to organize more such activities in future, which will help students learn in a fun way.

**GLIMPSES OF THE ACTIVITY:**

CLASS V

VIVACIOUS VERSES

CLASS III

CLASS IV

**Convenor:**  
**Ms. Sharmistha Chakraborty**

**HM (Primary)**
