*"School bells are ringing loud and clear; vacation's over, school is here."*

– Winifred C. Marshall

School is the primary guide for children to educate. It offers them the ability to learn about different fields of Education, including humans, literature, culture, mathematics, politics, and several other topics. This helps to improve the mechanism of reasoning. If you are subjected to stimuli from diverse cultural backgrounds, the environment and life become huge.

### RULES:

- Participation of all students is mandatory.
- Students of classes IV & V will participate in the intersection quiz competition.
- Top 3 students from class IV and V will be awarded certificates.
- The students will be accessed by the respective class teacher.
- All records to be maintained on the nominal roll and handed over to the respective D-section teacher.

### RAISING THE BAR OF EXCELLENCE EACH YEAR

Dear Parent,

We are proud to announce that Bal Bharati Public School, Noida has once again been rated as the second best school in the Noida region as per the recently held Times School Survey 2021. Please find below the newspaper clipping from Education Times, TOI, dated 27 Sep 2021.

**LEARNING TO LEAD BY SELF EXPERIENCE**

Bal Bharati Public School, Noida is an institution with a definite 'Real World Application' that displays rapid progression in the fast changing and evolving world. The credit for the massive rise and growth of the institution rests firmly with the leadership and sagacious-dynamism of the Chairman, Nishid Chandra and the School's Principal, Asha Prabhakar.

**66 If we teach today, we teach yesterday, we rob them of tomorrow** – John Dewey

The success story of the school rests on the bedrock of academic merit and with each passing year the learning curve has grown exponentially not only in academics, but also in co-curricular activities. Fostering the student's ability to communicate, collaborative learning, critical thought process, creative visualization and high emotional quotient (EQ) is an integral part of the school curriculum. With the onset of the pandemic, when physical classrooms learning stopped, teachers and students adapted to the inevitable changes and adopted technology to hold classes virtually. Thus paradigm shifting occurred because the motto for holistic learning. Teaching faculty members not only expanded their digital skills, but also upskilled. Below teachers through intensive hand holding, workshops and webinars. Today teachers of the school are contributing to Business Personnel for CBSE's Centre of Excellence, Noida. Another achievement of merit is that research papers submitted by teachers have been accepted for presentation at international conferences.

Surging ahead with aplomb has always been a way of life at BBPS Noida. In CBSE's ASISE and AISSE, 2021, the overall topper, Yash Garg (Class XII) scored a whopping 98.2% and Harshit Kumar (Class IX) topped with 98%. Moreover, the Midas touch this year, 7 scholars cleared the first level of NTSE. In the JEE Mains entrance exam held this year, Divyansh Wadhwa scored an impressive 98.54 percentile and Saranya Prasad secured 98.0 percentile respectively.

The school aims at holistic growth of the students and a state-of-the-art ATL and AI lab nurtures and hones the scientific temperament of the ever-quisitive individuals. They take pride in being acknowledged as ATL School of the Month for two consecutive months (July & August, 2020) and then for May & June, 2021. In the prestigious ATL Meritians, they figured among the top 500 institutions of the country and were chosen among the first 10 in Uttar Pradesh. The school stood 8th among 120 schools, in the National AI Reader Championship, 2021 held by ATL and K-12s, Chief of their Project, Eco-friendly Geysers, was lauded by the TOI. A large 100+ students have received certification as App makers
