1. Learning outcomes (Knowledge and Information) from the workshop/Seminar?

Session 1- Panel Talk- Members- Dr. Ameeta Mulla Wattal (Chairperson & Executive Director-DLF Foundation School & Former Chairperson NPSC), Mr.Ashok Pandey (Director-Ahlcon Group of Schools, Former Chairperson NPSC), Ms. Aditi Mishra (Director Principal DPS Sector-45 Gurgaon) and Mr Arindam Bhattacharya from HEIs school. This panel talk was moderated by Prof. Ajay Batish, Deputy Director, TIET.

2030; Futuristic Academic Blend- Outcome Based Learning-

The fact that better life skills development should be a natural outcome of good education

was emphasized by all. Children need to be made aware that we live in a world where every one is connected to each other and empathy must flow in order to bring about knowledge and awareness

Session 2, Panel Talk

2030- Future of Careers

Members- Mr. Yogi Suri (Publisher-Milap Publications, Evangelist, Start Up Mentor) Mr.Rajesh Mishra (Founder Temple of Learning), Prof.Padmakumar Nair (Director and Dean LM Thapar School of Management and Thapar School of Liberal Arts and Sciences), Moderator - Dr. Ameeta Mulla Wattal

The session dealt with various new avenues on offer, in a post pandemic world along with the new technologies and techniques to make teaching-learning effective and impactful.

Session 3, Panel Talk

Transdisciplinary Education: Pedagogy and Technology as Enablers

Members : Ms. Aditi Mishra (Director Principal DPS Sector-45 Gurgaon), Ms. Anita Makkar (Principal, The HDFC School, Gurgaon), Ms. Richa Sharma Agnihotri (Principal, Sanskriti School, Chanakypuri, New Delhi), Ms.Aparna Erry (Principal,DAV Public School Sector-14,Gurugram)

They emphasized on the importance of trans-disciplinary education to prepare oneself for a shift from being a provider to a facilitator. Mutual learning based on real-world cases requires an interdisciplinary perspective, trans-disciplinary problem-solving processes, self-regulated and self-responsible learning. Art integration learning in education, experiential learning traversing different subject combinations are positive steps towards the dilution of boundaries. The ultimate goal of education must be to change from Human to Humane.

2. Which topics or aspects of the workshop/Seminar did you find most interesting or useful and can be applied to the classroom teaching?

The knowledge that children studying in a big city must be sensitized to the condition of the coal mine workers in Dhanbad or the salt gatherers in the Rann of Kutch etc.

3. How will you implement the knowledge & techniques acquired to your subject?

Involve students, teachers and other school staff in developing and maintaining policies and practices needed for developing life skills of students and turning them into empathetic and informed youngsters of today

4. Comments and suggestions (How do you think the workshop/Seminar could have been made more effective?)

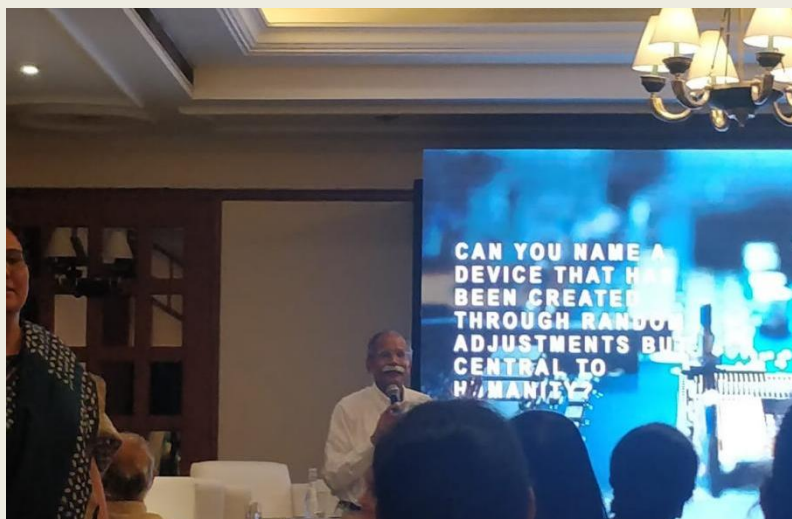

Audio Visual was comprehensive and informative.

5. Was the advance briefing about the workshop/Seminar appropriate?

GENERAL FEEDBACK

	YES	NO	NOT SURE
• The workshop/Seminar was applicable to my job	✓	○	○
• I will recommend this workshop/Seminar for other faculty members.	✓	○	○
• The program was well paced within the allotted time	✓	○	○
• The material was presented in an organized manner	✓	○	○
• The resource person was a good communicator	✓	○	○
• The resource person was knowledgeable on the topic	✓	○	○
• I would be interested in attending a follow-up, more advanced workshop / Seminar on this same subject	✓	○	○
• I will be able to conduct follow up workshop for the benefit of fellow Staff Members	✓	○	○

GLIMPSES OF THE WORKSHOP

EASING COMPREHENSION VIA EXPLANATION

ACCEPTING VARIED PERSPECTIVES

IGNITED MINDS -HAPPY EDUCATORS
