

*"The most magnificent creature in the entire world is the tiger."*

*Jack Hanna*

**Namaskar!**

**Dear Parents,**

**Tigers are some of the most known creatures on the planet. They are the most significant cat family members and are renowned for their power and strength. As the most prominent cat family member, tigers are strong, powerful, and one of nature's most fierce predators. To make our young Bal Bharatians aware of our Tiger friends and their importance in our world, we celebrate International Tiger Day.**

**The facilitator will initiate the discussion by sharing with the tiny tots that there was a time when humans and tigers lived together in harmony. Tigers are being poached for their skin, teeth and bones. And all this has resulted in tigers becoming one of the 'Endangered Species.**

**On this International Tiger Day, let's take a pledge to protect the habitat of animals.**

**Did you know?**  
A tiger's roar can be heard as far as three kilometres away.

**Did you know?**  
Hearing is the most developed sense in tigers. They can rotate their ears in the direction of sound which helps them in hunting.

**Did you know?**  
Tiger are excellent swimmers.

**Did you know?**  
No two tigers have the same stripes.

**Activity Time –Tiger Book Mark Making**

**Material Required-** Origami sheet, googly eyes, black marker and glue

**The facilitators will guide the children to fold the origami sheet and make the bookmark through the Origami technique. The child will paste the googly eyes and make stripes with black marker on it to make a tiger face.**

**Learning Outcomes-**

**The child will be able to –**

- Enhance his/her creativity and aesthetic skills.
- Understand his/her responsibility towards our natural Environment and protecting it.

**International Tiger Day is celebrated every year on 29th July to raise awareness about this magnificent but endangered big cat.**
