

## EID CRAFT ACTIVITY

### 'MOBILE MAKING'

DATE: 04.05.2022

CLASSES: PRE-SCHOOL & PRE-PRIMARY

VENUE: RESPECTIVE  
CLASSROOMS

### **RULES AND REGULATIONS:**

Eid is a day to cheer and to laugh with all your heart. It's a day to be grateful to the Almighty for all his heavenly blessings on us...Happy Eid !!!

- The Teacher will discuss the festival of Eid-Ul-Fitr with the children. A video will be showcased and the value of charity and sharing will be highlighted. The video link: [Eid Mubarak | Eid Celebration & Facts For Kids | Cultural Stories For Kids | Jalebi Street | - YouTube](#)
- The teacher will now show the children a cut out of a crescent shaped moon and demonstrate how to decorate it with stickers( smileies & stars) to make it look shining and beautiful.
- The Teacher will now show the children a cut out of a small star and demonstrate how to make it look beautiful by colouring/painting with yellow colour.
- The teacher will now motivate and assist the children to make their own Moon & Star .
- The teacher will help the children to make their own mobile by attaching the Moon & Star with a ribbon /paper strip and put it up in their respective Classrooms.
- **LEARNING OUTCOME:**
  - ❖ The child will be able to know about the festival of Eid -Ul-Fitr and the value of sharing.
  - ❖ The child will be able to comprehend and follow instructions.
  - ❖ The child will be able to enhance his/her fine motor and aesthetic skills.
  - ❖ The child will have a better eye hand coordination.
