

Let's take a pledge to be
fit and active!

PRE PRIMARY DEPARTMENT
LANGUAGE ACTIVITY

(Expressions : Let's Speak our Mind)

Class : Pre School & Pre Primary

Date : 9th May (Monday)

Activity for the month of May : Role Play of My Favourite
Vegetable.

Role play exercises give students the opportunity to assume the role of a person or act out a given situation. Keeping this in mind, a role play activity is planned for our young learners. The children are required to present a Role Play on their favourite vegetable. Children may wear a headgear or cutout of the vegetable or hold the vegetable in hand and speak a few lines on it. The medium of language will be English.
