### **MOBILE PHONES ARE NOT PERMITTED IN SCHOOL PREMISES**

Dear Parent,

The ubiquitous mobile phones have seeped into the lives of every individual, irrespective of whether they are students, teachers or others. The school is of the opinion that all stakeholders connected with school education need to arrive at a consensus on the use of mobile phones in the school and restricting its entry in the school campus.

The Parents of Secondary/Sr. Secondary school students are requested to ensure that their wards are convinced about not carrying mobile phones to the school, since they are a serious cause of distraction, lack of concentration, anxiety, fear and sometimes even misuse. Mobiles may act as a breeding ground for cyber bullying, inappropriate use of social media, addiction to online games and unhealthy content, psychological disorders in addition to inevitable health issues.

If a student is found possessing a mobile phone in the school premises or school bus, it will be treated as an act of indiscipline and misconduct by the School Authority. Please note in such cases, the school will be only liable to return the SIM Card and the Mobile phone instrument will be confiscated by the school. The Parent / Guardian / Student will also have to sign the Black Register available in Counselor Room for defying the school policy.

Parents of senior students going directly to coaching centres after school hours are requested to inform the School Principal via email. In such circumstances, the students will have to deposit the mobile phone with the class teacher and collect only at the time of dispersal.

We earnestly request our parents to help us in creating a meaningful learning atmosphere for a better ambience and school environment.
