**PRE PRIMARY DEPARTMENT**  
**ASTRONOMY SESSION (2022-2023)**  
**“DWARF PLANETS”**

**DATE: 09.09.2022**

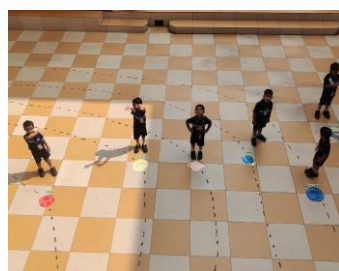

**CLASS: PS & PP Classes**

The facilitator started the activity with the introduction of the Solar System. The facilitator then apprised the learners about the 8 planets & their positions, further the facilitator explained the discovery of 5 more, very small planets beyond the last planet in the Solar System- which were termed- Dwarf planets.

To make the activity more interesting, a dummy Solar System was created in the Montessori Courtyard. The Sun, planets & their orbits were showcased by sticking pictures of planets and painting. This activity was ‘learning while doing’ in which all learners participated with zeal and learnt a new word – dwarf, its meaning
