Good Evening Mam, The animal fancy dress is a very innovative and creative way to make kids learn about the different species of animals and their whereabouts in a simple way. Nitika Mam's creative and innovative ideas has made learning fun for kids and easy to understand. Mam's experience and dedication towards children helps them create a very strong base and makes them confident. We are blessed that Nia has a mentor like you. Thank you, Nitika Mam.

Fancy dress activity- the activity was blend of learning with fun.. this definitely helped kids to develop confidence by giving them opportunity to get on and speak in front of everyone. In fact it stimulated creativity in parents as well to think beyond while planning for costumes 😊.. Thanks ma'am 🙏
