Dear Sir/ Madam

Season's Greetings !!

We wish to express our heartfelt gratitude to you and your organisation for an enthusiastic and zealous participation at Techspardha 3.0.

The event brought to fore the talent of tech savvy students of 34 schools from different states of the country in an array of 8 online and offline events. The objective of this event was **to fuel curiosity, creativity, and imagination in young minds and that we were able to witness all across the spectrum of activities. It was definitely an enriching journey for all of us.**

We are thankful to the staff of your esteemed organisation who could take time out for preparing the multi-talented students for various events held at our school

Congratulations to all the winners and kudos to all the participants!!

We would be delighted to have the opportunity to welcome you once more with the same passion and zeal next year in Techspardha 4.0
