

## BAL SABHA ACTIVITY (2022-23)

### EVENT: SUDOKU

### (INTER-SECTION ACTIVITY)

### CLASS: IV-V

DATE : 9 November 2022  
VENUE : Classroom  
NATURE : Individual  
TIME : Zero period

#### Rules and Regulations:

- Participation of all students is mandatory.
- Students will carry A4 sheet and pencil colours
- A stipulated time period of 20 minutes will be only allotted.
- Student who will complete the puzzle within the stipulated time period will be announced as winner.

#### Rules for Sudoku puzzles:

- Students will draw a grid of 9x9 on A4 sheet.
- Each puzzle is a 9 by 9 grid of horizontal and vertical rows, evenly separately into 9 squares with 9 spaces in each square.
- Solve the puzzle by filling in the open spaces with the missing numbers so that, when completed, each horizontal and vertical row and each square contains every number from 1 to 9. Each number from 1 to 9 can only appear once in each horizontal and vertical row and within each of the 9 squares.

NOTE FOR TEACHERS: All records to be maintained by the class teachers on nominal roll.

#### Criteria for the event:

1. Punctuality
2. Accuracy
3. Time management

#### Convenor:

Ms. Minakshi Joshi
