***"Wherever there is a number, there is beauty."***

Sudoku puzzles are a great way for a student to develop their critical analysis, logical thinking and decision making abilities. Bal Bharati Public School, Noida organized Inter section picture based Sudoku competition for Classes I-III wherein students have brought different shape cutouts to solve the puzzle. Students were very well apprised of the tactics of the puzzle in the classroom. In the first round Class I students brainstorm with a grid of 4X4 and Classes II and III with a grid of 5X5. The activity was conducted in respective classrooms in a time bound manner which taught them to organize their time and enhance their focus for a quick solution. The winners of first round from different sections put on their thinking caps and scratch their heads to stand out as winners in second round. The first position holders were adjudged on the basis of Punctuality, Accuracy and Time Management.
