

## Report

### Visit to BBPS, Solan Activity Centre

**Batch:** 37 and 38

**Gender:** Male

**Classes involved:** IV-V

**Dates:** 29 September, 2022 to 02 October, 2022

***“Children learn as they play. Most importantly, in play children learn how to learn.”***

All work and no play, makes Jack a dull boy, this idiom evinces that play and learning are two important aspects for protean development of students. Pertaining to that an educational excursion to BBPS, Solan, was organised for the students of Grade IV and V of Bal Bharati Public Bharati Public School, Noida. from 29 September, 2022 to 02 October, 2022.

We embarked for our edifying journey at 6:00 am in the morning and reached the destination Bal Bharati Public, Solan by 3.00 pm in the afternoon.

**On the way to Solan**

**Reaching BBPS, Solan**

Students were thrilled beyond measure and mesmerised by the scenic beauty of nature. They were warmly welcomed and thoroughly oriented by the coaches about the place, rules and safety precautions.

Considering the safety and to inculcate teamwork among students, they were divided into small groups. Sincerity and diligence were observed among the learners as they proceeded with their activities. A series of fun activities and games were administered by the coaches of BBPS, Solan. Hearty meals were also served at regular intervals to help them keep up with the exhilarating activities.

## Stay

The students and staff were accommodated in comfortable rooms. The arrangement allowed students to form small groups of 10 to 12.

The groups were given titles that reminded of India's unity in diversity like Satluj, Chenab, Rabi, Vyas, etc.

**Comfortable Stay**

## Activity Centre

A plethora of activities added to the riveting energy of our dynamic learners. The adrenaline-charged atmosphere incited the students to come out of their comfort zone. Some of the many activities enjoyed by are enthused learners were Rope Climbing, Zip Lining, River Crossing, Obstacle Course and Nature walk.

The students participated with great zeal and explored their innate potential and became more confident. These activities enabled the learners to trust, become better decision makers and problem solvers. To conclude, the trip provided students a new vista to move ahead with a right mindset.
