

## E-INVITE

04 Nov, 2022

Dear Sir/Madam,

When we were young kids, with stars in our eyes and myriad dreams, most of us dreamt of becoming a doctor, an engineer or maybe something as lofty as an astronaut or a rocket scientist, some of us also considered the teaching profession, nursing, or joining the Armed Forces...

Whatever our choice of career, we had a very vague idea of what we wanted to be, when we grew up. It is sad but true that most of us really do not know, what we are good at and have not tried enough things to know, where we will thrive.

In the everchanging global scenario, choosing the right career path which will provide happiness and satisfaction to the children is really overwhelming for parents and children alike.

**ACCORDING TO A RECENT SURVEY DONE BY LINKEDIN, ABOUT 59% OF YOUNG INDIAN PROFESSIONALS ARE 'CAREER SLEEPWALKING' AND HAVE NO SENSE OF A CAREER PATH AND FEEL LIKE THEY ARE "ON A TREADMILL GOING NOWHERE".**

As schools, it is our responsibility to prepare our students, such that when they walk out of the portals of the school, they are confident, motivated and ready to take on the future challenges. One step towards preparing our students for life is creating awareness about career options and provide information about the institutions that offer the courses that will prepare them for the career of their choice. The great thing about developing career awareness is that one is introduced to a variety of courses, programmes leading to exciting career options in various industries where one can excel and progress into a lifelong and rewarding job.

In order to give wings to the aspirations of the youth, the **Career Guidance Cell of BBPS Noida is organizing CAREER CONNECTIONS, a two day Career Conclave** on 18<sup>th</sup> and 19<sup>th</sup> November, 2022.

**We will be welcoming the topmost universities of India, the career gurus who will help the students rise beyond the cliched career options and steer them towards options, where work will not be for livelihood but for everlasting happiness and satisfaction.**

**There will be Breakout sessions by universities; (The details of Breakout Sessions will be mailed to all the schools on 16<sup>th</sup> November, 2022). Skill based activities to showcase 21<sup>st</sup> century skills, mind games, opportunities to showcase one's talent set and lots of prizes to be won are some of the highlights of the Career Conclave.**
